Revised FY27 Budget: Second & Final Reading

6.1 — Adoption of the Revised FY27 Budget (Second and Final Reading, Roll Call Vote) [1:09]

Discussion Summary

This brief, single-item special meeting finalized the budget revision first approved April 29: a $136,295.39 reduction to Articles 3, 4, and 4A, reflecting the School Resource Officer (SRO) program's cost moving entirely into the City's public safety budget (see the April 29 summary for full background). No public comment, no committee discussion.

Key Decisions

✓ Approved 6–0 by roll call (second and final reading). This completes the School Committee's side of the FY27 budget process; the combined municipal/school budget proceeds to City Council's own second and final vote the same evening.

Action Items

None.

How this was made

This summary was produced from the meeting video (linked above, hosted on the City's Vimeo showcase). The audio was downloaded with Downie 4 and transcribed with speaker diarization using MacWhisper. Claude (Anthropic's AI) cross-checked names against the official School Committee roster, attributed speakers from context (introductions, roll-call order, direct address by the Chair) rather than the raw diarization labels alone, and drafted this summary and the quoted excerpts. Quotes are lightly cleaned of filler words/false starts but not reworded. Review tier: Not reviewed.
