Help Paying for Electricity

Programs that may help Westbrook residents pay the electric bill.

Maine has new help for electric bills starting in the fall of 2026. Most Westbrook homes get power from Central Maine Power (CMP). Check your bill to be sure. Then follow the steps below.

Worried about a shutoff?

Call your electric company first. For CMP:

800-686-4044

Still stuck? Call the state's Consumer Assistance office:

800-452-4699 (Monday to Friday, 9 a.m. to 4 p.m.)

Life-threatening emergency?

Call 911. For help finding other aid any time, dial 211.

Who may qualify

Most electric help is for households with lower incomes. You may qualify if you are approved for heating help (HEAP), or you get SNAP, TANF or MaineCare, or your income is at or below 150% of the federal poverty level.

Heating help and electric help use many of the same papers. If you apply for one, ask about the other. See the heating income limits.
