Superintendent's Report

Halal-Certified School Meals & WRVC Recruiting Video [3:58]

Discussion Summary

School Nutrition Director Mary Emerson reported that Westbrook is among the only U.S. school districts offering halal-certified meals districtwide, and that Westbrook High School was the first school in the nation to achieve certified K-12 halal service. The program, certified by the Islamic Food and Nutrition Council of America (IFANCA) and built with a regional Halal Meals Network (Portland, South Portland, and the Cumberland County Food Security Council), launched at the high school in 2024, expanded to the middle school last spring, and reached all three elementary schools this month. For Ramadan (Feb. 17–Mar. 19, 2026) the high school will offer take-home meals via an after-hours vending machine. Emerson said the program has drawn interest from districts in Washington State, Vermont, and New York.

WRVC Director Gloria Noyes and Assistant Director Kim Bennett presented a new, unscripted student-testimonial recruiting video for the Westbrook Regional Vocational Center (WRVC), spanning early childhood education, electrical, automotive, EMS/firefighting, culinary, and business programs. Recruiting season is underway, with online applications opening February 1. Superintendent Dr. Peter Lancia separately corrected a date in the packet's FY27 budget calendar: the City Council's second budget reading will be May 4, 2026 at 6:00 PM, not April 4 as earlier circulated.

Chair / Student / Committee Reports

Subcommittee Assignments, Annual Workshop & Student Report [25:44]

Discussion Summary

Chair Andrea Mancuso announced subcommittee assignments for the year: Finance (Noreen Poitras, Chair; Erin Cavallaro; Allison Brunette), Facilities (Brooke Reed, Chair; Katy Rice), Educational Programs (Katy Rice, Chair; Dr. Flynn Ross), and Policy (Erin Cavallaro, Chair; Andrea Mancuso). The committee's annual orientation workshop with legal counsel is set for January 28 at 6:30 PM. Mancuso also reported a recent joint meeting with the Mayor and city department heads reviewing the school department's capital improvement project submissions, describing it as productive ahead of a forthcoming conversation on shared municipal-school resource funding.

Student Representatives Jamila Mohamed Ahmed and Tina Nguyen reported the high school's Bottles and Cans Club raised $3,600 before winter break, funding $60 Hannaford gift cards for 60 Westbrook families facing food insecurity, plus updates from all three elementary schools (Saccarappa, Congin, Canal) on testing, events, and Canal's newly unveiled mascot, Cosmo Coyote.

Finance, Policy, Cell Phone Ad Hoc & Educational Programs Updates [34:21]

Discussion Summary

Finance Committee's January meeting was storm-cancelled and rescheduled to January 21; Chair Poitras reminded newer members that budget-review sessions require four members present. Facilities did not meet in December. The Policy Committee (reported by Mancuso) found the district's homework policy outdated and asked the leadership team to revise it; tabled a records-retention policy update pending a staff review; and is preparing a recommendation on Policy KEB (complaints against school personnel) largely adopting Maine School Management Association model language.

The cell-phone ad hoc committee (Cavallaro) surveyed high school students, faculty, and staff in December on cell phone use, gathering baseline data ahead of vendor outreach and planned community forums this winter and spring. Educational Programs (Rice) previewed three items: the district assuming new pre-K programming at Canal School as the state's CDS program ends; an early-stage “intervention programming” framework aimed at more tier-one classroom support; and curriculum changes including a phased return from integrated “SM1/SM2” math to a traditional Algebra 1/Algebra 2/Geometry sequence, a new CTE Exploratory Program for sophomores, a new Cooperative Education credit program, and continued growth in WRVC's cybersecurity program.

How this was made

This summary was produced from the meeting video (linked above, hosted on the City's Vimeo showcase). The audio was transcribed with AI-assisted speech-to-text and speaker identification. This process cross-checked names against the official School Committee roster, attributed speakers from context (introductions, roll-call order, direct address by the Chair) rather than the raw diarization labels alone, and drafted this summary and the quoted excerpts. Quotes are lightly cleaned of filler words/false starts but not reworded. Review tier: Not reviewed.
