Policy Committee Report — Erin Cavallaro [31:38]

Discussion Summary

Three policies reviewed and brought to the board this same evening: JICJ (student device use), EEA (student transportation), and IKB (homework) — see New Business below. Next meeting May 27 will take up BEDH (public participation, prompted by a recent Superior Court injunction) and a personnel-complaints policy.

Key Decisions

Action Items

None.

New Business

12.1–12.3 — Staff Advancement to the Next Contract Step (Taken in the Aggregate) [34:28]

Discussion Summary

First-year probationary teachers to second-year; second-year probationary teachers to continuing contract; first-year probationary administrators to second-year.

Key Decisions

✓ Approved 6–0, first and final, moved by Katy Rice, seconded by Noreen Poitras.

Action Items

None.

12.4 — Policy JICJ — Student Use of Devices (Bell-to-Bell Cell Phone Ban), First Approval [35:45]

Discussion Summary

Implements a state mandate, effective August 1, 2026, requiring all Maine districts to ban personal electronic devices (phones, smartwatches, AirPods) bell-to-bell.

Erin Cavallaro explained the policy grew out of an ad hoc committee she co-chaired with high school co-principal Patrick Colgan since last fall, informed by a December survey of high school students and staff and input from parent/City Councilor Brian McCambridge. The change is most significant at the high school, which currently allows phone use in hallways, study halls, and the cafeteria.

Key Decisions

✗ 5 in favor, 1 opposed (Poitras).

Action Items

None.

> *“I just want to put it out there. I am not in favor of this at all. I worry about the safety of the students in the case of an emergency, that you cannot unlock their phones if a parent is trying to … get hold of the parents to calm them down. I know it's a mandate from the state, but I still do not approve it.”*

— Noreen Poitras [40:34]

12.5 — Policy EEA — Student Transportation, First Approval [41:23]

Discussion Summary

Adds pre-K to the policy's predefined-stop provisions, following the Transportation ad hoc committee's review.

Key Decisions

✓ Approved 6–0, moved by Erin Cavallaro, seconded by Katy Rice.

Action Items

None.

12.6 — Policy IKB — Homework, First Approval [41:47]

Discussion Summary

Revised “through the lens of equity,” so expectations account for unequal resources/support at home.

Key Decisions

✓ Approved 6–0, moved by Erin Cavallaro, seconded by Dr. Flynn Ross.

Action Items

None.

12.8 — MLTI Purchase, 2026–2027, First Approval [42:14]

Discussion Summary

Taken out of order — see procedural note below.

Key Decisions

✓ Approved 6–0, moved by Erin Cavallaro, seconded by Noreen Poitras.

Action Items

None.

12.7 — Delete Policy IKB-R — Homework Administrative Procedure [42:44]

Discussion Summary

Caught by a point of order from Poitras after the board skipped past it; Cavallaro explained it is duplicative of the just-revised IKB homework policy.

Procedural note: Chair Mancuso inadvertently skipped from 12.6 to 12.8, voted on 12.8, then returned to 12.7 after Poitras flagged the gap — both items' votes stand as cast (6–0 each); no revote was needed.

Key Decisions

✓ Approved 6–0, first and final, moved by Katy Rice, seconded by Erin Cavallaro.

Action Items

None.

12.9 — Reallocate Funds to Purchase Yonder (Faraday) Pouches for Westbrook High School, First Approval [44:05]

Discussion Summary

Funding comes from the FY27 budget's contingency line, timed for next fiscal year rather than the current "leaner than lean" FY26 budget.

Erin Cavallaro described the pouches — magnetic-lock pouches issued to every student, with wall-mounted and portable unlocking stations, the portable ones intended specifically for emergencies, directly addressing Poitras's safety concern from item 12.4. The final cost came in roughly half of the committee's original estimate.

Key Decisions

✗ 5 in favor, 1 opposed (Poitras).

Action Items

None.

12.10 — Overnight Field Trip: WRVC Automotive Students to the SEMA Educational Convention, Las Vegas, NV, November 3–6, 2026 [50:21]

Key Decisions

✓ Approved 6–0, first and final.

Action Items

None.

12.11 — Overnight Field Trip: WRVC Career-Readiness Tour, London, During April Break 2028 [51:23]

Discussion Summary

In response to a question from Dr. Flynn Ross, Superintendent Lancia confirmed no district/taxpayer funds are involved — the trip would be funded entirely through fundraising, student payments, and sponsorships, contingent on sufficient student interest.

Key Decisions

✓ Approved 6–0, first and final, moved by Katy Rice, seconded by Noreen Poitras.

Action Items

None.

How this was made
This summary was produced from the meeting video (linked above, hosted on the City's Vimeo showcase). The audio was transcribed with AI-assisted speech-to-text and speaker identification. This process cross-checked names against the official School Committee roster, attributed speakers from context (introductions, roll-call order, direct address by the Chair) rather than the raw diarization labels alone, and drafted this summary and the quoted excerpts. Quotes are lightly cleaned of filler words/false starts but not reworded. No agenda or back-up packet was published for this meeting (checked westbrookschools.org, 2026-10-24); this summary is drawn from the video/transcript alone. Review tier: Not reviewed.
