How this was made

This summary was produced from the meeting video (linked above, hosted on the City's Vimeo showcase). The audio was transcribed with AI-assisted speech-to-text and speaker identification. This process cross-checked names against the official School Committee roster, attributed speakers from context (introductions, roll-call order, direct address by the Chair) rather than the raw diarization labels alone, and drafted this summary and the quoted excerpts. Quotes are lightly cleaned of filler words/false starts but not reworded. No agenda or back-up packet was published for this meeting (checked westbrookschools.org, 2026-10-24); this summary is drawn from the video/transcript alone. Review tier: Not reviewed.
